ATHLETIC DIRECTOR

Jim Schrock

On behalf of the students, faculty, and administrative staff of Elyria High School, I would like to extend a cordial greeting and welcome to everyone and thank each of you for attending the game. I am certain that you will enjoy watching our Pioneers in action as well as the outstanding musical programs planned for you. We invite you to become a member of the Pioneer Booster Club and become actively involved in our sports program.

The athletic programs of Elyria High School provide healthy interscholastic competition which enables students to develop sound bodies and alert minds. Our athletes are guided by outstanding coaches who are dedicated to the highest ideals of honesty and fair play.

All of us at Elyria High strive to develop good sportsmanship and emphasize the responsibilities that everyone has in these areas. We trust that you will want to share these responsibilities with us.

Without the support of the community, our athletic programs could not operate. I would like to thank you for your support in the past, and with your continued help and cooperation we will be able to maintain the high caliber of our athletic programs.

HOW TO EARN TWO INCOMES IN COLLEGE. AND MORE.

Are you a high school senior with college plans? You'll also need a plan for paying for it. The Army Reserve and Army ROTC can start you earning up to $14,000 for college right now. It's called the Simultaneous Membership Program. You join the Reserve before high school graduation and take your paid initial entry training this summer. You'll then qualify for Advanced Army ROTC Programs in over 800 colleges, universities, and cross-enrollment schools. In college, you'll earn two incomes — $100 a month as a Reservist and $100 a month as an ROTC Cadet. After your sophomore year, you graduate from ROTC a second lieutenant and finish college in the Reserve as a commissioned officer. If you'd like to learn more, stop by. Or give us a call.

ARMY RESERVE. BE ALL YOU CAN BE.

ELYRIA HIGH ALMA MATER

All hail to thee, Elyria High,
In tribute halt we now,

In reverence that's deep and true,
our loyal heads we bow.

For time can never more destroy,
The light of memory burning bright,

In days to come all through the years,
you'll guide us by your light.

STAR SPANGLED BANNER

Oh, say can you see,
by the dawn's early light,
What so proudly we hailed
at the twilight's last gleaming
Whose broad stripes and bright stars,
through the perilous fight,
O'er the Ramparts we watched
were so gallantly streaming,
And the rockets red glare,
the bombs bursting in air,
Gave proof through the night
that our flag was still there.
Oh say does that Star-Spangled Banner yet wave,
O'er the land of the free
and the home of the brave.
