Dear Athletic Fan,

The Bay Rockets Association welcomes you to another season of exciting Bay High and Middle School athletic events. We are proud of our overall athletic program here at Bay and are always proud of the consistently fine performances turned in by our athletes and coaches.

You are invited to share in our pride by becoming a member of the Bay Rockets Association (if you have not already done so) and help us, through our many activities, to provide that "little extra" that has made the Bay athletic program the fine program that it is.

Information concerning the many exciting activities of the Bay Rockets Association can be obtained from any of the officers and activity chairpersons listed below.

Enjoy the season!

Sincerely,

Russell McQuate, President
