2022 GAMEDAY PROGRAM
GAME TWO:
MENTOR - FIRST ENERGY STADIUM

The Ohio High School Athletic Association

Serving member schools, coaches, student-athletes and contest officials since 1907

OHSAA Mission

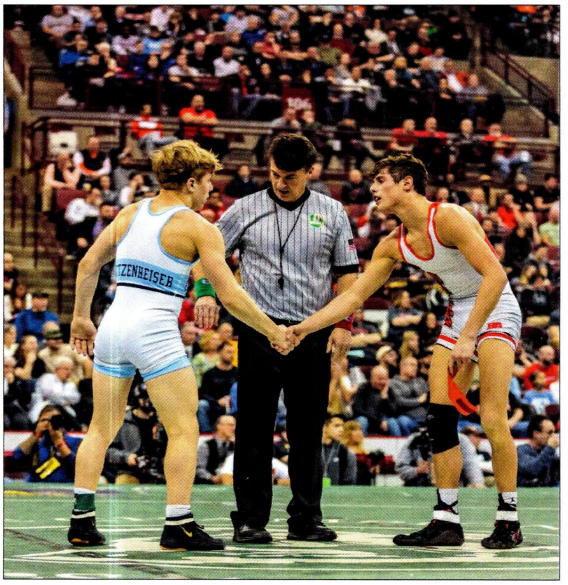

To serve our member schools and enrich interscholastic opportunities for students.

Respect THE GAME℠

Act with Dignity
Speak with Courtesy
Play with Pride

Preparing students not for the next level of sports, but for the next level of life.

National Federation of State High School Associations

The OHSAA Believes That:

- Participation in interscholastic athletics programs is a privilege, not a right.
- Participation in interscholastic athletics programs complements a student's school experience and teaches lifelong lessons of hard work, teamwork and self-discipline.
- Participation in interscholastic athletics programs promotes citizenship and sporting behavior, instills a sense of community and promotes a lifetime appreciation for sports and healthy lifestyles.
- All students, regardless of ethnicity, race or gender, should have an equal opportunity to participate in interscholastic athletics programs.
- Sporting and ethical behavior are expectations in interscholastic athletics by all participants, coaches, administrators, officials and spectators.
- Coaches, administrators and contest officials should serve as positive role models who are critical to a student's development and success.
- In order to minimize health and safety risks and maintain ethical standards, it is mandatory that interscholastic athletics participants are free from use of anabolic steroids or other performance-enhancing drugs.
- All rules, regulations and facilities for and supervision of interscholastic athletics programs should ensure maximum protection of the health, safety and well-being of each participant.
- Limitations should be placed upon the length of sport seasons and the number of interscholastic contests played by participants.
- Students should engage in a well-rounded experience that encourages participation in a multitude of extracurricular activities.
- All attempts should be made to accommodate students with disabilities in interscholastic athletics programs.
- Compliance with all school, OHSAA and state regulations along with contest playing rules is essential for everyone involved in interscholastic athletics programs.
- Student academic achievement and success take priority over athletics achievement and success.
- The success of a team is more important than individual awards.
- Interscholastic athletics programs exist to prepare students for the next level of life, not the next level of sports.
- Participation in interscholastic athletics programs can be a once-in-a-lifetime opportunity and create memories that will last forever.

Fan Fair Play Code

- I will remember that young people play sports for THEIR enjoyment.
- I will have realistic expectations and will understand that doing one's best is just as important as winning. I understand that ridiculing an athlete for making a mistake is not acceptable behavior.
- I will respect the official's decisions and will encourage others do the same.
- I will respect and show appreciation for the coaches and understand that they have given their time to provide sport activities for our young people.
- I will encourage athletes and coaches to play by the rules and to resolve conflicts without resorting to hostility or violence.
- I will show respect for my team's opponents because I realize there would be no game without them.
- I will not use bad language and will not harass athletes, coaches, officials or other spectators.
- I will always show good sportsmanship. Young people learn by example.

Wildcats Hang On Against the Cardinals

By Danny Gibel '22

PARMA - The game opened with the Cardinals receiving the opening kick after the Wildcats won the coin toss and differed. Mentor wasted no time getting on board as they drove down the field in just over four minutes. The offense was forced to settle for a field goal attempt after the defense dug inside the red zone. The field goal try was good by Matt Moegling and Mentor took a 3-0 lead with 7:44 left in the first.

The Wildcats had a chance to answer on their next drive, going 57 yards down the field to get to the Mentor five-yard line. However, the offense stalled out and faced a fourth and goal. Coach Chuck Kyle sent out his field goal unit to try and answer Mentor's score, but Zeb Eldridge's 22-yard attempt was wide left and the score remained 3-0 in favor of the Cardinals.

On the first play of the drive for the Wildcat offense, Joey Pfaff found Colin Vollmer downfield for a gain of 25-yards into Mentor territory. Later in the drive, Lenehan caught a pass out of the backfield, dashed up the sideline, and dove for the pylon for a 16-yard touchdown. Lenehan's 17th touchdown of the season gave the Cats a 7-3 lead at the end of the first quarter.

Later in Mentor's next drive, Evan Harper made his presence felt at Byers Field as he ran for a 66-yard touchdown. Harper's first of three touchdowns in the game put the Cardinals ahead 10-7. On the following kickoff, Charlie Dunstan nearly broke loose, returning it 35-yards to the Mentor 38-yard line. Then on the first of the drive, Lenehan got the hand-off and cut back upfield for a 38-yard touchdown. The ensuing extra point by Eldridge put the Cats ahead 14-10.

Coming out of halftime, the Wildcats were due to receive the kick as they had differed to start the game. Just a couple of plays into the Cats' drive, Lenehan officially reached the 1,000-yard milestone in rushing in a season. The Wildcats then marched down the field and set up a high-arching touchdown pass from Pfaff to Max Muresan. The score gave the Cats a 21-10 lead just minutes into the third quarter.

The primary running back in the second half was Joey Georges, who, on that drive for the Wildcats, broke out two 20+ yard runs. Georges' second of the two runs went for 22-yards and a touchdown. After the rushing score by Georges, the Wildcats jumped out to a 28-10 lead over the Cardinals.

Georges continued to fuel the offense on the next offensive drive. The Cats continued to move the ball and eventually found the end zone off Dunstan's one-yard jet sweep run. The junior wide receiver increased the Wildcats lead to 35-10 with 14 seconds left in the third quarter. As the game headed into the fourth quarter, it seemed like the Wildcats were able to win handily, but the Cardinals had other plans. Mentor opened their fourth-quarter offense with a huge passing play down into the red zone from Snow to Nick Farley. Then, Harper rushed into the endzone untouched to cut the lead to 35-17 with 11:36 left in the game.

Mentor used trickery on their next possession, going with the flea-flicker back to Snow, who found a Michael Norwood downfield for a huge pickup. After the chunk play, Snow found Norwood once again, this time for an 11-yard touchdown. Mentor was on the comeback trail as they now only trailed 35-24 with 7:34 remaining in the fourth quarter.

The Cardinal offense in the fourth quarter was far better than in the earlier parts of the contest. Snow controlled the game and led his team 76-yards down the field for a touchdown. The score came off of a three-yard pitch to Harper for his third rushing touchdown of the game. Mentor's offense stayed on the field to attempt the two-point conversion, and Snow picked it up on a quarterback run to the outside with 2:05 left in the fourth quarter. Mentor attempted an onside kick after the Harper touchdown and the ball was buried beneath a large pile of bodies from both sides. After a couple of anxious moments, the signal was made that the Wildcats had the football with Damon Frabotta on the recovery.

Lenehan would not be denied on the first down carry as he lowered his shoulder and powered past the sticks. The Football Cats then entered Victory Formation and took a knee to officially claim the win over Mentor by a final score of 35-32.

FR. SULLIVAN FUND / STORYLINES

Created in 2017, the Fr. Sullivan Fund for Athletics is named in honor of the late Rev. William A. Sullivan, S.J., a famed faculty member and athletic administrator from 1945-1969.

The Sullivan Fund for Athletics helps to offset the annual operating needs of our Athletic Department. This includes coaching stipends, travel expenses, facility costs, uniform repair, etc.

Your gift will ultimately ensure that Saint Ignatius student athletes are able to grow mentally, physically and spiritually through their athletic participation.

Wildcats Storylines ...

LET'S TRY THIS AGAIN: Head Football Coach Chuck Kyle '69 and the Wildcats were ready to open the 2022 season last Saturday night from Byers Field. Mother Nature had other ideas as the kick-off time was delayed due to lightning storms in the Parma area. By 9:15 p.m., Springfield and Saint Ignatius came to an agreement for the health of the student-athletes to cancel the contest as kick-off would not have happened until 10 p.m. The season for Saint Ignatius will kick off in week two of the high school football season vs. Mentor.

A FIRST FOR EVERYTHING: In his 40-year head coaching career, Chuck Kyle has never had a game cancelled due to weather. There have been games in his career that were moved to the next day due to weather but never dealt with a cancellation. That all changed on Saturday when the weather prevented Saint Ignatius and Springfield from meeting on the gridiron.

A FORMIDABLE FOE: The rivalry between Saint Ignatius and Mentor has been a staple in high school football in Northeast Ohio for the past decade. When both programs take to the gridiron, it always turns into an instant classic. Last season, Mentor took the regular season victory with a 28-26. The Wildcats would get their revenge in the first round of the OHSAA Regional Tournament, winning 35-32. Saint Ignatius will host Mentor at FirstEnergy Stadium for the first time ever.

RUNNING WILD: In both contests, the Wildcats had success in the running game last season. In the regular season match-up, Saint Ignatius rushed for 149 yards. They were led by Marty Lenehan, who rushed for 116 yards. In the first round of the playoffs, the Wildcats would rush for 252 yards, with Lenehan and Joey Georges rushing for over 100 yards. After not getting a chance to showcase their talent in week one, Steven Favazzo, Grant Washington and Sean Martin will look to lead the way for the Wildcat rushing attack.

PAVING THE WAY: The offensive line for this season will look to continue the run game's success in 2022. Two seniors return to the offensive line as Patrick Lavelle and Dominic Ference lock down the center and right guard positions on the offensive line. Both dished out their fair share of pancakes last season, opening holes for Marty Lenehan and Joey Georges. Mitchell Hyland, James Raynor and Colin Farrell join Lavelle and Ference on the starting line.

EDGE RUSHING NIGHTMARE: Eugene Gibbons and Will Robinson are looking to make life difficult for opposing teams' offensive lines. Over the summer, Robinson committed to Holy Cross after a solid junior year. Robinson is a towering presence at 6'5 250 lbs on the defensive line and last season totaled 36 tackles and three sacks. Gibbons was a rotational player last season but is the solidified starter as the other defensive end. In 2021, Gibbons totaled 6.5 tackles and one sack. Gibbons and Robinson will be essential in slowing down the Mentor passing attack.

CAPTAINS: The captains for the 2022 season are #7 Brandon Webster, #13 Ryan Kennedy, #34 Will Robinson and #61 Patrick Lavelle

WILDCAT FOOTBALL ENDOWMENT

Patricia & Charles M. Kyle '69 Wildcat Football

Legendary Head Football Coach, Chuck Kyle '69, has led the Wildcats to 11 State and four National Championships, mentored thousands of young men, and helped create a culture of excellence at Saint Ignatius High School. His influence on the school, both on the field and in the classroom, has helped place Saint Ignatius on an upward trajectory over the past 40 years. To honor his great legacy, we have established the Patricia & Charles M. Kyle '69 Wildcat Football Endowment. Future income from the endowment will be used to support coaching stipends and other needs of the football program.

By establishing this endowment we assure that the legacy set by Coach Kyle can continue for years to come by maximizing resources in order to meet the ongoing needs of Wildcat football.

Saint Ignatius student-athletes embrace the Wildcat spirit of excellence and strong character and learn important life lessons on and off the fields from their coaches. Support of this endowed fund will help to develop not only winning teams but also student-athletes of strong moral character and steadfast faith.
